Japan seems to have one of the richest custom Rolls-Royce scenes in the world. They have plenty of original Phantoms and Ghosts, but this is the first time we've seen something from RR's glorious past. This creation of Tokyo tuning lab Office-K is a classic Silver Spirit II, an icon of the 80s and 90s. Rather than going for that laid back Miami Vice look, the customizers added a bit of racing flair. Th... [...]
