

G-Power?s BMW M5 HURRICANE GS is the World's Fastest LPG-Powered Car

12/01/2011 21:45 by admin

After the standard BMW M5 and M6 Hurricane editions, BMW tuning specialists G-Power has now released a more eco-friendly iteration of the same package, in the form of the LPG-powered Hurricane M5 GS. The German firm's engineers performed several modification to the M5 and M6 Hurricane's 5.0-liter bi-supercharged V10 engine which now comes with.[...]
