This piece of news demonstrates that automotive marketing can a simple, yet very effective job. The adjacent video was produced by RTW Motoring, the tuning company that offers Mansory goodies in Southern California.

The company wanted to showcase the Mansory Panamera and thus decided to take two examples of the car and just cruise around in LA. It looks like this is all it takes to promote your tuning projects when you're dealing with Mansory merchandise.

We'll remind you that the Mansory ... [...]
