Monaco 2012: Roding Roadster 23 [Video]

02/05/2012 10:01 by admin

LambofanX recorded some really interesting shots of the Roding Roadster ‘23’ for us at Tom Marques 2012 in Monaco. The car made its debut little over a month ago at the Geneva Motor Show, but now we got to see the practical side of the car that was driven all round the famous city. It’s even got room to fit a pair of skis under the front bonnet… somehow. [...]
