Brabus 800 Widestar is an 800HP Mercedes-Benz G-Class

15/03/2011 15:58 by admin

Following in the footsteps of the 700HP Brabus G V12 S, Mercedes-Benz tuning specialist Brabus has unleashed the 800 Widestar, an extreme version of the G-Class off-roader. The 800 Widestar is equipped with an V12 engine sourced from the Mercedes-Benz S600, but with extensive upgrades such as the increase in displacement from 5.4 to[...]
