Hamann Motorsports Accessorizes New BMW 6-Series

22/03/2011 18:32 by admin

Life goes on for Hamann Motorsports after the death of its founder last week as the German tuning house has introduced its first set of accessories for the new BMW 6-Series Coupe and Convertible models. Hamann did not accompany the photos with a press release so we?re still short on details, but the pictures reveal several new alloy wheel designs[...]
