Range Rover Sport Bali Blue "Miyagi" by Project Kahn

06/07/2011 10:47 by admin

Project Kahn is doing their part in helping out the many victims of the recent natural disasters in Japan with their new special edition Range Rover Sport "Miyagi." This new special edition gets both exterior and interior modifications and will be auctioned off in order to help the people of Japan. For the exterior of the Miyagi, Project Kahn has added a brand new bespoke front bumper with fog lamp surrounds in billet steel finish, a rear bumper replacement with exhaust diffuser, side skirts, matte black side vents with double mesh, and rear quad stainless steel exhaust system by Cosworth. It also includes bespoke 22" RS Cosworth wheels.[...]
