Shelby is celebrating 50 years of high-octane activity and the company is throwing a birthday party at the Detroit Auto Show through the launch of a new 50th Anniversary Edition Shelby GTS, GT350 and Super Snake.

Only 50 white and 50 black units of each will be built, which means that they have a collectible status right from the start, with all the vehicles wearing gold stripes.

Each car comes with goodies such as commemorative 50th anniversary badging, custom interiors, special wheels, 6... [...]
