Infiniti is one of those brands that tuning firms just skim past while deciding on their next project, so finding a decent package for Nissan's luxury division is not something we come across on a daily - or even monthly - basis. And today isn't going to be any different as this custom M30d comes to us from a dealer in Hamburg, Germany, and not a tuning professional. "Infiniti Zentrum Hamburg" is offering two different stages for their M30d S. The package for Stage 1 includes painted door handles, red brake calipers with Infiniti lettering, a black radiator grille, and a black, foil covered roof. The dealer has also added an H+R suspension which lowers the vehicle by 25mm, as well as performance optimization for the V6 diesel engine. This engine now delivers a total of 280hp and 450 lb-ft of torque, up from the standard 235 hp and 406 lb-ft of torque. Total price for the Stage 1 package is 5775 euros (\$7,947 at the current rates)[...]
