

Audi TTRS Clubsport by MTM

28/02/2011 23:23 by admin

Do you remember the Audi RS6 Clubsport package MTM revealed last year? It was 730hp of sheer awesomeness, and now MTM is bringing out that same package for the Audi TT-RS. The power output may not be as extensive as the RS6, but the exterior modifications will absolutely turn some heads. The Audi TT-RS will be revealed when the Geneva Motor Show opens its doors this week, so MTM gave away very little in terms of TT-RS package details. The Clubsport package is their biggest upgrade for the TT-RS and it received a 472 HP engine update. This update was accomplished with a modification of the control unit, an MTM turbo charger, and a new MTM exhaust system. With this upgrade, the TTRS Clubsport will sprint from 0 to 60 mph in 3.9 seconds and hit a top speed of 198 mph[...]
