

O.CT Brings 420 Ponies to the Audi TT RS Roadster

04/03/2011 01:13 by admin

Need to add a some extra oomph to your Audi TT RS Roadster (or coupe, for that matter)? No worries, there's an army of tuners out there that will most gladly up the performance ante of your car. One of the latest tunes for Ingolstadt's TT RS model comes from O.CT which has developed a sport package that includes an engine kit, suspension upgrades[...]
