Aston Martin AM 310 Vanquish on ADV.1 Wheels

28/06/2012 10:57 by admin

Let’s face it, the new Aston Martin Vanquish is a bit of eye candy that everybody loves but very few people will be able to afford. Of those who can, we expect that many will want to go straight to the aftermarket industry for some customization. This isn’t your grandfather’s Aston Martin. You can be 20 and still look the part in it once you go for the crazy yellow paint and a set of black set of multi-spoke ... [...]
