Pink Rolls Royce Phantom by Office K [Photo Gallery]

16/07/2012 17:27 by admin

Japanese aftermarket developer Office K has always had a way of making itself noticed, but one that definitely doesn’t suit everybody’s tastes. The company has recently released a new project and this is just as bold as we expected it to be. We are talking about a Rolls-Royce Ghost wrapped in... pink. In fact, the color scheme sees pink being displayed on the lower side of the car and silver on those on top, with the f... [...]
