

## VÄTH Mercedes-Benz CL 500

30/03/2011 17:44 by admin

VÄTH Automobiltechnik, car tuner from Germany , has unveiled its conversion kit for the Mercedes-Benz CL 500 Model C216. At the exterior, the VÄTH Mercedes-Benz CL 500 features new carbon aerodynamic kit which consists of a front spoiler lip, a rear diffuser and a trunk lip spoiler. Inside, the Modified Mercedes-Benz CL 500 features black [...]
