

Honda Accord Sedan Receives Complete Tuning

07/06/2011 09:22 by admin

The vehicle you see in the adjacent images started life as a 2004 Honda Accord Sedan. As you can see from the gallery, it was a pretty humble ride. However, as we found out on Stancenation, it's owner decided to bring an explosion of modifications to it, transforming it into a monster of the tuning world.

Of course, the project ate a hefty amounts of money and time and required an infinity of efforts, but the result seems to be worth it, as we are dealing with an automotive definition of the [...]
