

SEAT Ibiza SC Trophy Cup Racer Presented

14/06/2011 12:53 by admin

This year's GTI tuning event at Worthersee in early June saw a gathering of extremely interesting automotive contraptions, many of them however bound to never see the green light to production. However, this is not SEAT's case, as they brought an extremely interested line-up formed of its sportiest models in the Ibiza and Leon ranges.

One of these examples on show included a cup racer dedicated to the single-brand competition for Spain and Italy, in the form of the brand new Ibiza SC Trophy [...]
