

JE Design Seat Ibiza 6J Gold Revealed

23/08/2011 17:24 by admin

It was an expected move from JE Design that the tuning company has made improvements to all versions of the Spanish cars with its aerodynamic package, custom wheels and stylish interiors. As we are accustomed, JE Design's new tuning kit shouts out loud its originality and quality. The new look of the JE Design Ibiza is due mostly to its new front.

JE Design had managed to transform the Seat Ibiza by adding a sports radiator grille, which will be available for EUR654.50(about \$944) all taxes [...]
