

Chevy Teases Two Corvette Concepts Ahead of 2011 SEMA Show

28/10/2011 22:06 by admin

If anything, General Motors' Chevrolet brand will have one of the most comprehensive displays at this year's edition of the Specialty Equipment Market Association show in Las Vegas. We've already given you a sample of the tuned Sonic hatchbacks, Cruze sedans and Camaro Coupe and Convertible concepts that are heading down to the strip, and now it's time to show you a pair of Corvette concept cars.[...]
