

Forgiato Wheels Commercial: Driving a Lamborghini in High Heels [Video]

14/11/2011 19:32 by admin

The aforementioned Forgiato Wheels commercial has it all: muscle cars, tuned rides, supercars and, of course, custom wheels. Oh, and a girl in high heel boots driving a Murcielago.

There's really not much to talk about here, as the rims speak for themselves. Each spoke is worth about a few thousand words, with the center caps bringing the punctuation and the lips helping wit the paragraphs.

You also get formal and informal writing styles, depending on the type of rim you choose and you can...
