## Mercedes S63 AMG Wald Black Bison Edition on Vossen Wheels by Need 4 Speed Motorsports [Ph

18/11/2011 00:49 by admin

If you say Mercedes S-Class, everybody will think at the next generation that is now making its way into reality, but why should we leave the current one behind so fast?

We really don't want to do that, so we're here to give a piece of tuning news dedicated to it.

The S63 AMG you see in the adjacent photos is dressed in a Wald Black Bison Edition exterior kit, which comes with a strong personality and has been gifted with a set of Vossen CV-1 22-inch rims by Need 4 Speed Motorsports.[...]
