Mansory Audi R8 V10 Spyder [Photo Gallery]

22/11/2011 18:25 by admin

Now that the cold season is fully upon us, Mansory is gifting us with a new set of photos of its Audi R8 V10 Spyder tuning kit. Who knows, maybe enhanced aerodynamics and more power can help us ran away from snow and ice...

As you can see, the topless German supercar is dressed in a body kit that includes front and rear bumpers, side skirts, as well as a generously-sized rear wing, with the tuner offering some of the elements in carbon fiber. The vehicle now rides on a set of 20inch alloy rim... [...]
