The United Arab Emirates has it all when it comes to cars, but did you know that this notion of all includes the matching custom Mercedes G55 AMG and Bugatti Veyron we can see in the adjacent image?

The photo, which comes from luxury4play, is very confusing: we really don't know if this is a computer generated image or an actual piece of the UAE reality. The image comes from Mamso Photographia, a Facebook profile listed as belonging to the UAE, so it could be true.

At first sight, it seems... [...]
