

ASMA Design Does its Aero Thing on the New Porsche Cayenne Turbo

23/12/2011 16:30 by admin

It has been a while since we last heard from ASMA Design, a German tuning house known for its excessive styling creations such as the unforgettable Phantasma CL Chrome and Shark II CLS. For its latest tuning job, ASMA Design chose the second generation of the Porsche Cayenne in Turbo trim. Named "The Giant", the styling package turns Stuttgart's SUV into something that would fit right in a Fast & Furious movie.[...]
