

Audi R8 Stretch Limo [Video] [Photo Gallery]

18/01/2012 17:31 by admin

Stretch limos based on supercars always tend to fall in the overkill category and the example from the adjacent photos is no exception. We are talking about a stretch limo based on the Audi R8, a vehicle that is being previewed by a British limo hire company.

Limo Broker is introducing the Audi R8 limo, a vehicle that can swallow up to eight passengers and uses the R8's 5.2-liter V10 engine, promising to offer a top speed of 196 mph (315 km/h) - allow us to take this one with a grain of salt,... [...]
