

ASMA Design Previews Lamborghini Aventador LP700-4 Tune

16/02/2012 00:40 by admin

For an exotic model that has been widely lauded for its looks, the new Lamborghini Aventador LP700-4 is sure receiving a lot of attention from the tuning industry. Some of the recent proposals that come to mind are from Prindiville Design and Oakley Design. Now, ASMA Design is joining in with its own plan to tune Lamborghini's flagship model. You may remember ASMA from its over-the-top projects such as the Phantasma CL Chrome and the unforgettable (?) CLS Shark series.[...]
