

## ABT Sportsline to Debut New VW Up!, Beetle and Audi Tunes in Geneva

23/02/2012 18:20 by admin

The Geneva Salon may not be the prime place for tuners, but it is one of the two most important motor shows in Europe together with the Frankfurt and Paris events that alternate each year, and as such, big players in the industry like ABT Sportsline always have something new to show. At this year's event, ABT will debut several new tuned models including the Volkswagen Up! and Beetle, and the Audi AS6 Avant and QS3 crossover.[...]
