

Mansory to Debut McLaren MP4-12C and Lamborghini Aventador LP700-4 Tunes in Geneva

02/03/2012 00:18 by admin

The upcoming 82nd Geneva International Auto Salon will host the world premieres of two new Mansory tunes based on the McLaren MP4-12C and, according to Carscoop sources, the Lamborghini Aventador LP700-4. For the time being, the German tuning house has only confirmed the news on the McLaren MP4-12C, for which it has released a pair of teaser renderings and initial information on the upgrades it features.[...]
