

Lime Geen Wrap on Aston Martin DBS

02/05/2012 10:01 by admin

Why do we pay so much attention to the vinyl wrap industry? Because it's THE new thing to add to your car's customization list. But mistake supercar wraps with the stuff you put on taxis and company cars. Oh no, you need to go to a specialist for something truly special. And in Europe, it doesn't get much more special (repetitive, I know) than Dartz. With their projects, you always get the feeling it'sq... [...]
