His Majesty Albert, Royal Prince of Monaco is the protector of the annual luxury super car show Top Marques in Monaco. This year, he was attracted to the stand of German tuner DMC, who came with the Terra 650, a kit for the Porsche Cayenne that features plenty of carbon fiber and a power boost to 650 PS. DMC says that even though they usually only tune Lambos, many of their customers have Cayennes as daily drivers, so the switch offered p... [...]
