The BMW 1-Series M Coupe is a fan loved by its purist fans, and looks set to become a future classic. The car is a bit like M cars of old, offered only with a manual gearbox and a stiff chassis setup borrowed from the M3. We already know that the 1M stands out in a world of endless squishiness where the suspension on a luxury car comes with infinite settings. And while M3 can come out of the factory gate equipped with electr... [...]
