

Audi Q7 V12 TDI with 600 HP: Matte Black Wrap by Fostla [Photo Gallery]

14/05/2012 14:51 by admin

The Audi Q7 V12 TDI is a monster that serves ego-related purposes more than anything else, so it's only normal that owners become greedy and want to squeeze even more image points out of the vehicle. The perfect example of such an action comes from the adjacent image gallery, which shows an example of the vehicle that has been customized by Fostla, a German aftermarket developer. The V12 oil-burner has received an ECU remap, whi... [...]
