

Jaguar XJ220 Tuning Project Coming with ADV.1 Wheels [Photo Gallery]

16/05/2012 20:13 by admin

ADV.1 Wheels recently released a set of teaser images that show the company working on a set of wheels destined for the Jaguar XJ220, with the project being a mind-blowing one. The company's specialists said that this is an extremely difficult project, but this is exactly what motivates them to produce some new shoes for the supercat. Let's hear it in their words: "Mental note...Not easy to engineer wheels fo... [...]"
