

Custom Mercedes Benz S-Class Build: CEO Edition [Photo Gallery]

22/05/2012 19:46 by admin

US customizers Superior Auto Design have formed over a set of photos taking us behind the scenes of their custom Mercedes Benz S550 they've dubbed the CEO Edition. As you'd expect from such a strange sounding name, the owner is young and packing money. He wanted his silver factory paintjob on the 2007 S-Class to be replaced for a black finish. His wish came in the form of a full body respray,... [...]
