

Amari Design Lamborghini Gallardo Invidia 540 Edition [Photo Gallery]

23/05/2012 14:52 by admin

As you can imagine, you, the reader,s and us were not the only ones that drooled over the Lamborghini Gallardo Super Trofeo Stradale when the Raging Bull released the special edition earlier this year. The tuners also loved the project and one of them, namele Amari Design, decided to upgrade one of its older kits in order to look like the Super Trofeo Stradale. Thus, the was born , with the vehicle looking absolutely stunning. Like we sai... [...]
