

BMW 5-Series Touring F11 Gets Modulare Wheels

25/05/2012 17:36 by admin

We've said it before and we'll say it again: here at autoevolution, we love wagons and thus we're happy each time we get to offer you a piece of news that involves one of these machines. We are here now to talk about an F11 BMW 5-Series Touring that has been gifted with a set of Modulare Wheels. The car rides on B18 forged monoblocks, which dramatically change its appearance. The rims come in a 9x20-inch size ... [...]
