

Kahn Restores and Tunes Jeep Wrangler

29/05/2012 16:49 by admin

We got to meet Kahn's version of the Jeep Wrangler in person earlier this year and we liked what we saw, so we were more than happy to find out that the British tuner also takes the time to handle used examples of the rugged off-roader. The adjacent images show an example of the car that had 75,000 miles (120,000 km) on its odometer when it reached Kahn's HQ. [...]
