

SpeedART Tunes Into the New Porsche Boxster with Styling and Performance Upgrades

31/05/2012 22:07 by admin

German tuning firm SpeedART wasted no time in prepping a new line of accessories for the third generation of the Porsche Boxster only about a month after it arrived in European dealerships and a couple of months before it goes on sale in North America and other parts of the world. Due to launch this summer, SpeedART's SP81-R package for the new Boxster bundles an assortment of styling accessories with various performance parts.[...]
