

DMC Reveals SV-Style Spoiler for Lamborghini Gallardo

20/06/2012 09:48 by admin

DMC is a German tuning that usually makes carbon fiber parts for exotic Italian supercars. Recently, they've focused their attention on the Lamborghini Gallardo with the result being the Toro body kit. Now, they have taken things further, by launching an aftermarket spoiler that looks just like that on the SuperVeloce.&l... [...]
