

Mercedes-Benz W113 'Pagoda' Gets Vilner Treatment

20/06/2012 15:50 by admin

The Mercedes-Benz W113, the original SL, and the only one to embody its founding philosophy, "Sporty and Light" (SL), as the cars that followed, only got heavier and heavier, with the modern SL now weighing as near as makes no difference, 2 tons (give or take). Well, not that the original car wasn't good enough, but Bulgarian leather experts, Studio Vilner, have taken on the task of adding even more luxury an... [...]
