

## Mercedes E-Class Estate Black Bison Edition [Photo Gallery]

20/06/2012 15:50 by admin

Here's some extreme Japanese tuning for you to enjoy. Some extremely cool tuning that is. It's a Black Bison body kit from Japanese tuner Wald International. These guys mean business and offer some of the wildest kits out there. This time, they made one of the coolest wagons into something else, a menacing car that looks like the combination between a batmobile and a hearse. The E-Class Estat... [...]
