

Bagged VW Golf R32 on HRE Wheels

21/06/2012 14:01 by admin

Whenever you get tired of reading about supercars and want to just chill out in something German and quiet, yet still exciting and potent, you should sail straight past the latest all-wheel drive Audi and buy the old Golf R32, which was the last Golf to be fitted with the famous VR6 engine that all VW fans loved. It's one of our favorite cars and surely belongs in a hall of fame for its blend of performance, style and practicality... [...]
