

Frozen White Maserati GranCabrio on PUR Wheels

25/06/2012 17:58 by admin

Maserati's GranTurismo coupe and the GranCabrio drop-top are both conflicting cars. Some compare the dynamics and the price with the BMW M3 and miss the whole point of the car, and other see it as a piece of brilliant Italian automotive design. Before you make your decision on the matter, you have to take a close look at the balance of white and black achieved by "Project Aurora", Maserati GranCabrio tuned by... [...]
