

## Mercedes R230 SL in Matte Electric Blue

28/06/2012 17:59 by admin

What did we tell you about old cars with new life thanks to the miracle of foil wrap? It certainly holds true for the car right here, this electric blue masterpiece that has been refinished with vinyl wrap but looks as good as any Mercedes designo paintjob. The car in question is an R230 generation SL roadster, a basic car, not a cool AMG. We can tell this despite the fact that it's been de-badged because it's got thre... [...]
