

Lamborghini Aventador Exhaust Sound: Valves Open All the Time [Video]

16/07/2012 12:24 by admin

While performance cars are getting faster by the day, with track records falling like they had been set by toddlers, there's one area where these vehicles haven't progressed: the audio one. Many go-fast cars sold today don't come with a soundtrack that matches the performance and when we're talking about a vehicle like the Lamborghini Aventador, this can be quite an issue. The Aventador's V... [...]
