

Hennessey's 2013 Venom 1000 Twin Turbo Has 1,120 Horsepower And Eats Bugattis For Lunch

06/01/2013 15:15 by admin

Ever since there have been Vipers, John Hennessey has been tuning them. Sometimes, it seems like his tuned cars are on the street before the production cars, if that's at all possible. And they were always incredibly bonkers. [...]
