

## **This \$160,000 Tail Gunner Porsche Panamera Camera Car Is Surprisingly Cool**

25/04/2013 21:26 by admin

We've seen a number of matte-black camera cars before, but never a Panamera. This one even has a little tail gunner hatch in the back and we can't get over how cool it is. The car was spotted by a *Rennlist* reader in LA last week. We want one. We're not sure what company uses this Panamera for filming, but it looks like it was wrapped by Premier Wraps in Hollywood. Their site describes the build.[...]
