

Red Chrome Mercedes SLS Spotted in London [Video]

26/08/2013 12:28 by admin

If you want to get noticed around London, you need a big bank account, a European supercar and some chrome wrap. Al Thani has a chrome Lamborghini Aventador, and now we've discovered something else. It's a Kuwaiti Mercedes SLS AMG, wrapped in red chrome and packing some carbon fiber bits. It was parading around London like it owns the place when Totalrevs Supercars filmed this video. What is it with all... [...]
