OK, so Tony Stark has an Audi R8 and drives the Acura NSX after battling the Chitauri in The Avengers. But we bet he also has a Mercedes SLS AMG somewhere in that underground garage of his. So, if Iron Man does have a Gullwing, what would it look like? Probably a little bit like this. The guys over at The R’s Tuning decently turned the SLS AMG into their idea o an Iron Man suit. Leaving the old-fashion...[...]
