

Ferrari 458 Spider on PUR Wheels Is Black and White Only [Photo Gallery]

28/08/2013 13:04 by admin

Call this a cocaine white Ferrari or a stormtrooper's supercar, but this Ferrari 458 Spider is really cool and really perfect for the summer. We've tested both the coupe and convertible and found that as a joyride to use in the city, nothing is better than the open-top experience. Ferrari really designed a perfect car with perfect stance, so improving it is a hard thing to do. However, SR Auto Group ma... [...]
