

ML 63 AMG Inverno Deceptikon by TopCar Is Bad to the Bone [Photo Gallery]

28/08/2013 14:05 by admin

The Russian tuners and customizers from TopCar are back again, with another hardcore Mercedes AMG tuning project taken to the next level. This time, they targeted the latest generation ML 63 AMG, giving it a hardcore look worthy of a science fiction movie. In fact, the one-off SUV has a fitting name, Deceptikon, and a fitting set of badges. But if you look beyond the sinister body, the massive new wheels and ti... [...]
